

1           INSP. CHETCUTI:           This is Inspector Vincent  
2 Chetcuti with the San Francisco District Attorney's  
3 Office. Today is May 15<sup>th</sup>, 2017, and the time is  
4 11:34 in the morning. I'm conducting a follow-up  
5 interview with [REDACTED] regarding case  
6 number [REDACTED] which is related to an officer  
7 involved shooting that occurred in the 400 block of  
8 Shotwell in San Francisco on April 7<sup>th</sup>, 2016. This  
9 interview is being conducted at [REDACTED]  
10 in the conference room and Assistant District  
11 Attorney Andrew Law is also present. This interview  
12 is being recorded with everyone's knowledge and  
13 consent. [REDACTED], directing your attention  
14 to the events of that day could you please tell us  
15 what you remember.

16           [REDACTED]:           Well, I was back and forth. I  
17 mean I didn't just stand up in the window, you  
18 know. I was afraid that some ricochet bullets might  
19 come up and hit the window so I was back and forth.  
20 Whatever call I think is—I heard the commotion of  
21 sit down or something like that, you know, from I  
22 guess the police officers. Then when I looked out  
23 the window then like they shot some rubber bullets  
24 or something. And then I got out of the window and  
25 then I heard some more commotion, I got up and then

1 I seen the guy like he had got up, still walking  
2 towards them, the telegram pole there. And that's  
3 when they started shots.

4 INSP. CHETCUTI: Okay. Um, when you first  
5 heard the commotion outside you said that you heard  
6 something about sit down or something like that?

7 [REDACTED]: Yeah, something, sit down or  
8 something like that. Get down or drop, something. I  
9 don't know but I guess they were telling the guy to  
10 sit down, something like that. I can't really  
11 recall what.

12 INSP. CHETCUTI: So that drew you to the  
13 window?

14 [REDACTED]: Right.

15 INSP. CHETCUTI: Okay and when you looked  
16 outside what did you see?

17 [REDACTED]: Well, when I looked outside,  
18 uh I didn't see the person, I seen the police  
19 officer then like they shoot some rubber bullets or  
20 bags or something like that at the guy.

21 INSP. CHETCUTI: Okay. How many officers  
22 did you see?

23 [REDACTED]: When he got up. Maybe two or  
24 three, I'm not sure how many.

1           INSP. CHETCUTI:           Okay. And do you remember  
2 where they were positioned? Where they were located  
3 when you looked out the window?

4           [REDACTED]:           On the sidewalk.

5           INSP. CHETCUTI:           On the sidewalk?

6           [REDACTED]:           Yeah. And I think the guy was  
7 sitting up against the building or something.

8           INSP. CHETCUTI:           Okay. Any idea as to-do  
9 you have a reference point that you can tell me  
10 maybe where they were located close to a particular  
11 area?

12          [REDACTED]:           Well I think they were closer  
13 to the telegram pole.

14          INSP. CHETCUTI:           Okay, so closer to the  
15 utility-that utility pole there?

16          [REDACTED]:           Yeah.

17          INSP. CHETCUTI:           Okay. Were they both  
18 standing next to each other or were they separated?

19          [REDACTED]:           They-one was standing like on  
20 the edge of the edge of the sidewalk and one was  
21 like on the sidewalk I think.

22          INSP. CHETCUTI:           Okay, so was the pole  
23 between them?

24          [REDACTED]:           I don't think so.

1 INSP. CHETCUTI: Okay, all right. But one  
2 was closer to the sidewalk, the other closer to the  
3 street or on the street and the other one on the  
4 sidewalk.

5 [REDACTED]: The other one was closer to  
6 the sidewalk—like I would say maybe closest to the  
7 sidewalk than the other person was. And there was  
8 two of them.

9 INSP. CHETCUTI: Which—where were the  
10 officers looking at?

11 [REDACTED]: I think they were looking at  
12 the person.

13 INSP. CHETCUTI: So and that—then which  
14 direction? Was that direction to your building or  
15 direction towards the street?

16 [REDACTED]: Towards the building.

17 INSP. CHETCUTI: Okay, towards the  
18 building. And after—how do you know that these were  
19 rubber bullets that they were shooting?

20 [REDACTED]: Well, I think when the guy  
21 got up and it's like I think they looked like they  
22 was yellow or orange or something like that.

23 INSP. CHETCUTI: Did you see him get up?

1 [REDACTED]: Well, I didn't see him get up  
2 but I saw him when he came to [unintelligible] you  
3 know.

4 INSP. CHETCUTI: So at that point, some  
5 point, you walked back to your desk, correct?

6 [REDACTED]: Right.

7 INSP. CHETCUTI: How soon after you got to  
8 your desk did you walk back to the window?

9 [REDACTED]: Uh, I would say maybe thirty  
10 seconds.

11 INSP. CHETCUTI: About thirty seconds,  
12 okay.

13 [REDACTED]: From that guy when I heard  
14 him say drop it or something like that, I don't  
15 know what I heard him say but when they got out  
16 there the guy was going-walking towards.

17 INSP. CHETCUTI: So when you heard him say  
18 drop it you walked back to the window again?

19 [REDACTED]: Yeah, drop it or sit down,  
20 something like that. I can't remember exactly what  
21 he told him.

22 INSP. CHETCUTI: Okay. And when you got to  
23 the window what did you see?

24 [REDACTED]: When he shot the rubber  
25 bullets I didn't see the person.

1 INSP. CHETCUTI: Okay.

2 [REDACTED]: I just seen him shoot them.

3 INSP. CHETCUTI: Okay, but when you walked  
4 to the window the second time what did you see  
5 then?

6 [REDACTED]: The second time that's when I  
7 seen the person that got up.

8 INSP. CHETCUTI: Okay. And, um, what was  
9 he doing when you got out there?

10 [REDACTED]: Well, like he got up like he  
11 was stumbling towards, uh, the pole or whatever but  
12 in the direction of the officers it looked like.

13 INSP. CHETCUTI: Okay. Any idea why the  
14 officers were shooting at him the first time?

15 [REDACTED]: Well, I think then I thought  
16 I heard him say drop the knife or drop something. I  
17 think they said knife. I'm not sure not, I can't  
18 remember.

19 INSP. CHETCUTI: All right. Did you see  
20 the knife or did you see something?

21 [REDACTED]: Like he had something in his  
22 hand, I can't tell what it was.

23 INSP. CHETCUTI: Okay. Do you remember  
24 where he was-how he was holding that object?

1 [REDACTED]: Uh, I can't remember if he  
2 was like this or like that. I'm not sure.

3 INSP. CHETCUTI: Okay, you're pointing  
4 whether or not it was pointing outward or pointing?

5 [REDACTED]: Yeah, I can't remember which  
6 was he was holding, whatever, what, how his hand  
7 was but I know he went—he went towards the pole.

8 INSP. CHETCUTI: Okay, so when he's  
9 walking towards the pole what was his pace like?

10 [REDACTED]: He was like—like he's  
11 staggering like.

12 INSP. CHETCUTI: Are you saying  
13 staggering?

14 [REDACTED]: Yeah.

15 INSP. CHETCUTI: Okay.

16 [REDACTED]: But like he had been—well, he  
17 had been shot as far as I could see with the  
18 bullets, just the rubber bullets and then it's like  
19 you know like going towards I would say going  
20 towards the officers and the pole.

21 INSP. CHETCUTI: Okay, so he was walking  
22 in the direction of the officers and the pole and  
23 he appeared to be what you described as staggering  
24 perhaps?

25 [REDACTED]: A little bit, yeah.

1           INSP. CHETCUTI:           And that was after they  
2 shot him with the rubber bullets?  
3           [REDACTED]:           Yeah.  
4           INSP. CHETCUTI:           Did you even see the  
5 officers shot him—shoot him with the, uh, round—the  
6 live rounds?  
7           [REDACTED]:           Yeah.  
8           INSP. CHETCUTI:           You did?  
9           [REDACTED]:           I can't remember what—what  
10 they was saying to him though. So, you know, going  
11 towards him then they start shooting. Then he fell  
12 by the—he fell by the sign.  
13          INSP. CHETCUTI:           How close was he to the  
14 officers when they shot him with the live rounds?  
15          [REDACTED]:           Like from here to that wall.  
16          INSP. CHETCUTI:           From here to the wall.  
17          [REDACTED]:           Maybe a little further, maybe  
18 about from here to the wall.  
19          INSP. CHETCUTI:           And we'll think the wall  
20 is what, about maybe fifteen feet? If these tables  
21 are about five feet each, you've got two tables  
22 here and then maybe the space would be a third  
23 table. Is that what you estimate?  
24          [REDACTED]:           Uh—I guess you could say  
25 that.

1 INSP. CHETCUTI: Okay.

2 [REDACTED]: I'm not exactly sure.

3 INSP. CHETCUTI: Sure, I understand that.

4 I know it's only an estimate. And how far did he

5 stumble before he fell down?

6 [REDACTED]: Well I guess from where our

7 garage was I guess that's when he got up he I guess

8 when he came to the side he was stumbling then,

9 like you know.

10 INSP. CHETCUTI: And when he fell down how

11 close was he to the officers?

12 [REDACTED]: Uh, I can't exactly tell but-

13 INSP. CHETCUTI: Was he closer or farther

14 to the officers?

15 [REDACTED]: When he fell down?

16 INSP. CHETCUTI: Yeah.

17 [REDACTED]: He was closer.

18 INSP. CHETCUTI: He was closer to the

19 officers?

20 [REDACTED]: Yeah.

21 INSP. CHETCUTI: And do you remember how

22 the officers were positioned?

23 [REDACTED]: I think the same position

24 that I saw them in the beginning facing south.

1           INSP. CHETCUTI:           Okay. And where was the  
2 object at that point, do you remember?

3           [REDACTED]:           The person?

4           INSP. CHETCUTI:           The person holding the  
5 object, where was that object that the person was  
6 holding?

7           [REDACTED]:           I think he had it in his  
8 hand. I can't recall which hand, you know, but  
9 [unintelligible] something in his hand.

10          INSP. CHETCUTI:           So when he was shot it  
11 was still in his hand?

12          [REDACTED]:           Yeah.

13          INSP. CHETCUTI:           Okay. And when he was on  
14 the ground do you remember where that object was at  
15 that point?

16          [REDACTED]:           I think I saw a knife laying  
17 on the ground.

18          INSP. CHETCUTI:           You saw a knife laying on  
19 the ground, okay.

20          [REDACTED]:           Yeah, after he was shot, he  
21 fell on the ground. I didn't see the knife fall out  
22 or nothing like that but I see-

23          INSP. CHETCUTI:           Okay. Now was that knife  
24 the same object that you might have seen earlier or  
25 was-

1 [REDACTED]: Could have been.

2 INSP. CHETCUTI: Okay. And how close was  
3 that knife to his body when he fell down?

4 [REDACTED]: Uh, I would say maybe a  
5 couple feet. I'm not sure, but maybe a couple feet.

6 INSP. CHETCUTI: Okay. And do you know  
7 whereabouts around close to his body that knife  
8 was?

9 [REDACTED]: No, I can't recall. But-

10 INSP. CHETCUTI: Okay, when he fell down  
11 what position-how was his position, of the body  
12 positioned? Um, was his head closer to the sidewalk  
13 or closer to the wall?

14 [REDACTED]: To the sidewalk.

15 INSP. CHETCUTI: Closer to the sidewalk.  
16 And was he facing up or facing down?

17 [REDACTED]: Uh, I think up.

18 INSP. CHETCUTI: He was facing up.

19 [REDACTED]: I think.

20 INSP. CHETCUTI: So he was laying on his  
21 back?

22 [REDACTED]: I think so, I'm not sure  
23 about that, I can't recall. I think so.

24 INSP. CHETCUTI: After he was laying on  
25 the ground what were the officers doing?

1 [REDACTED]: Um, I don't think—I didn't  
2 see them doing nothing, you know.

3 INSP. CHETCUTI: Okay.

4 [REDACTED]: Like it just—I think the  
5 paramedics came, something like that.

6 INSP. CHETCUTI: Okay, and what did you  
7 see the paramedics do?

8 [REDACTED]: Well, they came and ripped  
9 his clothes off and tried to get—I think tried to  
10 give him CPR.

11 INSP. CHETCUTI: Okay. And then what  
12 happened? What did you see next?

13 [REDACTED]: That was about it. I seen  
14 more police officers then but, uh.

15 INSP. CHETCUTI: Okay. Did you know the  
16 two officers that were involved in the shooting?

17 [REDACTED]: No.

18 INSP. CHETCUTI: Did you ever talk to them  
19 after the incident?

20 [REDACTED]: No, we did not.

21 INSP. CHETCUTI: Did you discuss what you  
22 saw with anybody in your office?

23 [REDACTED]: Uh, we didn't discuss but you  
24 know we all, all three of us seen it, you know.

1           INSP. CHETCUTI:           Uh-huh, okay. Did you  
2 talk to anybody about what you saw?  
3           [REDACTED]:           Well, as to what?  
4           INSP. CHETCUTI:           Anybody as to what you  
5 saw, the shooting that you saw, the shooting, did  
6 you talk to anybody about that?  
7           [REDACTED]:           Oh no, no. Because then our  
8 Supervisor calls us up.  
9           INSP. CHETCUTI:           Okay, and who was your  
10 Supervisor?  
11          [REDACTED]:           He was talking to the  
12 detectives then.  
13          INSP. CHETCUTI:           Yeah. Who is it, your  
14 Supervisor?  
15          [REDACTED]:           It was [REDACTED].  
16          INSP. CHETCUTI:           Okay.  
17          [REDACTED]:           Because she had heard about  
18 it I guess and she called us up.  
19          ADA LAW:           Did you recognize the person who  
20 was shot?  
21          [REDACTED]:           No.  
22          ADA LAW:           Had you ever seen that person  
23 before?  
24          [REDACTED]:           Yeah. I think he's the same  
25 one that be kicking the ball up against the wall.

1 ADA LAW: Did you ever have any direct  
2 interactions with that person?

3 [REDACTED]: No.

4 ADA LAW: Did you ever speak with him?

5 [REDACTED]: No.

6 ADA LAW: I want to see if I'm  
7 understanding what you're saying in terms of like  
8 the chronology, the order of what happened. You  
9 stated that you saw rubber bullets or sandbags I  
10 think you said being used, is that correct?

11 [REDACTED]: That's what it seemed like to  
12 me.

13 ADA LAW: Okay. Did that happen before you  
14 heard live rounds being used?

15 [REDACTED]: Yeah.

16 ADA LAW: Did you--were you able to see the  
17 person, the person who was ultimately shot, at the  
18 time that the officers used the rubber bullets or  
19 sandbags?

20 [REDACTED]: I didn't see him then.

21 ADA LAW: Is that because he was against  
22 the building?

23 [REDACTED]: Yeah, I guess he's closer to  
24 the building.

1           ADA LAW:           Okay, so you did not have a  
2 visual of the person at that time.  
3           [REDACTED]:           No.  
4           ADA LAW:           Could you see the officer at  
5 that time?  
6           [REDACTED]:           Yeah.  
7           ADA LAW:           Could you see the type of weapon  
8 that the officer was using to deploy the rubber  
9 bullets or sandbags?  
10          [REDACTED]:           Well like I said it seemed  
11 like a shotgun or something like that.  
12          INSP. CHETCUTI:       This officer with the  
13 rubber bullets or shotgun did I hear you correctly  
14 when you said he was closer to the [REDACTED] building  
15 than the other officer?  
16          [REDACTED]:           Yeah, he was like closer to  
17 the sidewalk. I think, I'm not sure which one used  
18 the beanbag, but I know it was two. The-the shots  
19 and things.  
20          INSP. CHETCUTI:       You mentioned the person-  
21 you then obtained a visual after the beanbags,  
22 rubber bullets had been used, is that right?  
23          [REDACTED]:           I kept hearing-I heard him  
24 say sit down, get down or something like that, and

1 then I looked out the window then that's when I  
2 seen the guy [unintelligible].

3 INSP. CHETCUTI: How long were you seated  
4 for approximately before you got back up and saw  
5 the person moving?

6 [REDACTED]: Maybe a minute or two. Maybe,  
7 because when I heard then I got back up but I was  
8 back and forth once, then keep looking out the  
9 window.

10 INSP. CHETCUTI: Did you see, um, the  
11 actual shooting?

12 [REDACTED]: Yeah.

13 INSP. CHETCUTI: Did you see whether one  
14 or both officers fired?

15 [REDACTED]: Uh, no, I don't know what.

16 INSP. CHETCUTI: Did you hear the shots  
17 being fired?

18 [REDACTED]: Uh-huh.

19 INSP. CHETCUTI: Did you hear the person  
20 who was being shot say anything, either at any time  
21 during this incident?

22 [REDACTED]: No.

23 INSP. CHETCUTI: You stated that you saw  
24 an object in the person's hand.

25 [REDACTED]: Uh-huh.

1           INSP. CHETCUTI:           Can you describe that  
2 object?

3           [REDACTED]:           Well, I couldn't see what it  
4 was but it looked like he had something in his  
5 hand, motioned towards them going, walking that  
6 way.

7           INSP. CHETCUTI:           You could see that the  
8 person was holding something?

9           [REDACTED]:           Yeah.

10          INSP. CHETCUTI:           Could you see the arm  
11 position by which that person was holding that  
12 object?

13          [REDACTED]:           I did but I don't recall  
14 which way.

15          INSP. CHETCUTI:           Did you see the person  
16 who was shot attempt to go the other direction down  
17 Shotwell, meaning toward-what would that be?

18          ADA LAW:           19<sup>th</sup>.

19          INSP. CHETCUTI:           19<sup>th</sup> Street, running away  
20 or moving away in the other direction from the  
21 officers. Did you even see that happen?

22          [REDACTED]:           No.

23          INSP. CHETCUTI:           Based on what you saw  
24 when you first obtained a visual of the person who

1 was ultimately shot that person came and moved  
2 toward the pole, is that accurate?

3 [REDACTED]: Uh-huh. And officers were  
4 standing near the pole.

5 INSP. CHETCUTI: Did you see the person  
6 who was ultimately shot you actually saw him fall  
7 on the ground?

8 [REDACTED]: Uh, yeah, I think I seen him  
9 fall on the ground. I mean I remember seeing him on  
10 the ground. I'm not sure I seen him fall on the  
11 ground.

12 INSP. CHETCUTI: You stated at some point  
13 you saw a knife on the ground, is that accurate?

14 [REDACTED]: Yeah, I think it was a knife.  
15 I think I recall seeing a knife on the ground.

16 INSP. CHETCUTI: When did you see that?

17 [REDACTED]: After he was shot.

18 INSP. CHETCUTI: So how long after he was  
19 shot approximately?

20 [REDACTED]: Um, right after he was shot I  
21 think.

22 INSP. CHETCUTI: Was it before or after  
23 the paramedics arrived?

24 [REDACTED]: Before.

1           INSP. CHETCUTI:           And by paramedics what  
2 are we—are we talking about an ambulance and that  
3 sort of thing? What does it mean to you?

4           [REDACTED]:           Ambulance, yeah.

5           INSP. CHETCUTI:           Okay. When you saw the  
6 knife on the ground can you describe it?

7           [REDACTED]:           It looked like it was like a  
8 pretty large knife to me. Like a butcher knife or  
9 something.

10          INSP. CHETCUTI:           What was going on in your  
11 mind while you were watching the person get up and  
12 move towards the officers?

13          [REDACTED]:           Nothing, I was just looking  
14 and seeing all the blood and all that stuff, that's  
15 it.

16          INSP. CHETCUTI:           Did you have a chance to—  
17 did you—could you see the person's face as, um, as  
18 the incident unfolded? Before the shooting, before  
19 he fell.

20          [REDACTED]:           I think I could see the side  
21 of his face.

22          INSP. CHETCUTI:           Is there anything that  
23 stood out about what you could see about that  
24 person, anything in particular you remember?

25          [REDACTED]:           No.

1           INSP. CHETCUTI:           Do you know whether both  
2 officers fired or one officer fired the-  
3           [REDACTED]:           I'm not sure.  
4           INSP. CHETCUTI:           Did you see the object in  
5 the person's hand when he fell?  
6           [REDACTED]:           No. Like I said I knew he-it  
7 seemed like he had something in his hand but I  
8 don't know what.  
9           INSP. CHETCUTI:           Okay. So is that a no you  
10 couldn't see or you're not sure or you did not see?  
11          [REDACTED]:           Not sure about what?  
12          INSP. CHETCUTI:           Whether he had the object  
13 in his hand when he fell down to the ground.  
14          [REDACTED]:           No, I'm not sure.  
15          INSP. CHETCUTI:           How many objects did you  
16 see in his hand?  
17          [REDACTED]:           No.  
18          INSP. CHETCUTI:           Just one object.  
19          [REDACTED]:           It seemed like just one.  
20          INSP. CHETCUTI:           Okay.  
21          [REDACTED]:           At least one hand.  
22          INSP. CHETCUTI:           Okay. And You don't  
23 recall which hand he was holding that it?  
24          [REDACTED]:           I'm thinking it could have  
25 been left, I'm not sure. Because it seemed like I

1 could see this hand here when he was walking. I'm  
2 not sure. I can't recall.

3 INSP. CHETCUTI: But when you saw the  
4 knife on the ground what side of the body was--was  
5 it, could you tell what side?

6 [REDACTED]: Like on the I guess the  
7 right side.

8 INSP. CHETCUTI: On his right side, okay,  
9 all right.

10 [REDACTED]: I think so, yeah.

11 INSP. CHETCUTI: You recalled seeing the  
12 guy before, is that correct, you've said that  
13 you've seen the guy before, the homeless person?

14 [REDACTED]: That's what they say he was  
15 homeless.

16 INSP. CHETCUTI: You personally, have you  
17 ever seen him?

18 [REDACTED]: I've seen him, yeah.

19 INSP. CHETCUTI: You have seen him  
20 personally before.

21 [REDACTED]: I've seen him like I said  
22 kicking the ball up against the building and they  
23 would get up and--he'd kick it pretty hard up  
24 against the building, would get up and you know.

1           INSP. CHETCUTI:           Okay. The behavior on the  
2 day of the incident, was that different than any  
3 other time that you've seen him before?

4           [REDACTED]:           I don't think he was kicking  
5 the ball that day. I didn't hear it. I don't know.

6           INSP. CHETCUTI:           Okay, okay. All right.

7           [REDACTED]:           I know he was like up against  
8 the building. He was close to the building.

9           INSP. CHETCUTI:           Okay. You mentioned that  
10 you were able to tell when the person--when the  
11 officers were shooting the rubber or--or the  
12 beanbags, the rubber bullets or the beanbags and  
13 then when they shot the live rounds. When the  
14 person was moving towards the pole, towards the  
15 officers do you recall what type of rounds they  
16 were shooting?

17          [REDACTED]:           They were real live rounds  
18 then.

19          INSP. CHETCUTI:           They're live rounds then.

20          [REDACTED]:           Uh-huh.

21          INSP. CHETCUTI:           And how could you tell?

22          [REDACTED]:           Well, when they started  
23 shooting him I could see the blood and the other  
24 thing when--it seemed like when he was up against

1 the building or something it was like yellow gun or  
2 something. I don't know. It had some color in it.

3 INSP. CHETCUTI: The sounds were  
4 different?

5 [REDACTED]: Yeah, the sound.

6 INSP. CHETCUTI: And you said that you  
7 were able to see blood. Where was the blood coming  
8 from do you recall?

9 [REDACTED]: Like his chest or something.

10 INSP. CHETCUTI: From his chest, okay. All  
11 right.

12 ADA LAW: If you can estimate  
13 approximately how far did the person move before  
14 you heard the first—or saw the first shot?

15 [REDACTED]: I would say about estimate  
16 about five or six yards.

17 ADA LAW: Five to six yards?

18 [REDACTED]: Five yards.

19 ADA LAW: Five yards.

20 [REDACTED]: Yeah.

21 ADA LAW: Okay. From—

22 [REDACTED]: From the time he came outside  
23 until he got to the pole.

24 ADA LAW: Okay, okay. And when he landed  
25 he landed closer to the pole?

1 [REDACTED]: Yeah.

2 ADA LAW: Okay.

3 INSP. CHETCUTI: And I apologize for being  
4 graphic but when he was first shot did you see  
5 blood splatter or blood exit his body in any way?

6 [REDACTED]: Yeah, I think I seen blood  
7 and then when he hit the ground I seen some.

8 INSP. CHETCUTI: Before that when he was  
9 still standing did you--could you see--well, let me  
10 ask you this, as he was moving towards the pole  
11 could you--was he--could you hear gunshots?

12 [REDACTED]: Uh-huh.

13 INSP. CHETCUTI: Was he still standing  
14 when he was being shot?

15 [REDACTED]: Yeah.

16 INSP. CHETCUTI: And that--the first shot--

17 [REDACTED]: It seemed like he was moving  
18 towards the pole or towards them when he was shot.

19 INSP. CHETCUTI: And you were--

20 [REDACTED]: They was standing by the  
21 pole.

22 INSP. CHETCUTI: Okay. And you witnessed  
23 the entire event, correct, the entire shooting?

24 [REDACTED]: Pretty much, pretty much.

1        INSP. CHETCUTI:        Did you ever see the  
2 officers shoot the homeless person while he was  
3 laying on the ground?  
4        [REDACTED]:        No.  
5        INSP. CHETCUTI:        Okay, nothing further.  
6        ADA LAW:        We would like to take some  
7 pictures from your perspective from where your desk  
8 is.  
9        [REDACTED]:        Okay.  
10       INSP. CHETCUTI:        The time is 11:56 and I'm  
11 ending the interview at this point.
